Overview of Holland Gardens Redevelopment

- The existing conditions at Holland Gardens present significant challenges for both residents and the JCHA.
- The JCHA has committed to 1:1 replacement of all public housing (ACC) units at the redeveloped site.
- The best option to address resident needs, ensure one-to-one replacement of public housing (ACC) units, and meet current HUD guidelines and financial restrictions is to redevelop the existing site for higher density, mixed use, and a mix of incomes.

- Project Based Voucher
- JCHA Public Housing (family or senior sites)
- Non JCHA Senior Housing
